A-4SCIENCE FAIR

By Harshita Jain

4 March, 2024 : A science fair was organised on 2 March, 2024 at the ground of H.K.H Public School on the occasion of 'NO BAG DAY'. All the planning regarding the fair was done in advance by the teachers. There were stalls for each class where students of respective classes presented their model. All the models were informative, hand made and eco friendly. Inspection was done to make sure that no harmful material was used to make the models. Awards were distributed among students based on their performance. The event was a grand success and was appreciable.

Subject : Poor drainage and ill-maintenance

Sir

Through the esteemed column of your newspaper, I would like to draw the attention of the concerned authorities towards the poor drainage system in our locality. The drains are very narrow, shallow and small in size which results in overflow of water during rainy days. The drains remain choked with garbage due to ill maintenance. All these conditions lead to uncleanness. It is also hazardous for health as dirty and unhygienic surrounding are the birth place of many harmful diseases. Therefore, I request you to do the

Aunt-----certainty

Reference - These lines are taken from
'Adrienne Rich's' poem 'Aunt Jannifer's
Tigers'

Context - The poet highlights the qualities of
the tigers embroidered by Aunt Jannifer.

Explanation - Aunt Jannifer's tigers The
poet says that Aunt Jannifer's tigers
jump and move across the screen
proudly. They are yellow and bright like
topaz and are the demizens of the
green forest. They are fearless and
are not afraid of men beneath the
tree. It means that they live fearlessly
in their habitat. Further, the poet
describes their movement as bold, confident,
elegant and courageous. Thus, Aunt
Jannifer's tigers are bold and fearless
creatures.
