Question - 6

'OR'

Paragraph'Importance of English'B
S
E

English is an international language. If you want to travel or to do business in foreign countries then you have to learn English because English is spoken by most of the people in the world. Many people says that why learning English is so important there are many other languages. It is important because, suppose if you want to study in foreign countries like England, America etc then you have to learn this language. Because if you do not do so then you will not be able to communicate with people of these countries. Thus, English is the language of communication also. Still some people says that English is had become too important that some people does not respect the other languages. ~~The~~ This is wrong. Because we have to learn English but also to respect & learn other languages.

Laser, Int

प्रश्न क्र.

also. English is the language of computers & mobiles too. Learning or speaking English also provides you better job opportunities because many of the employers prefer employees who are bilingual [means who can ^{speaks} spoke two languages]. We should speak English but ~~at~~ other languages also. Thus, we conclude that learning English is very important & one who can speak English can communicate with the people of other countries also.
