प्रश्न क्र. 19

Question no - 19."OR" Need to Expand  
Formal Sources of Credit.Answer no - 19.

Today's India, has a great need to expand formal sources of credit, because, today main demand for loans in rural areas is for agricultural production. They borrow money from informal ~~into~~ sources of credit which are landowners, money lenders or relatives with out collateral at high interest rate. These is because they fall into Debt trap.

Due to these, several farmers are in Debt.

We need to increase formal sources of credit to provide loans to poors, without collateral, Because bank has policy for collateral.

Several formal sources like SHGs, Cooperatives also be formed to provide loans.

To prevent poors, to be fall in debt, there is need to expand formal sources of credit.
